Addressing HIV in People of Color Communities: Tips and Tots for LGBTQ Community Centers

Moderator: Regina R. Washington, DrPH, Development Officer & Director of LGBT HealthLink at CenterLink

Today’s Presenters:
Earl "Nupsius" Benjamin-Robinson, Dr.H.Sc. - Principal, The BACH Group, Executive Director, BACH's CROPs
Mauda Monger, MPH - Chief Operating Officer, My Brother's Keeper, Inc.
Curtis Lipscomb - BFA, Executive Director, LGBT Detroit
Janelle Taveras PhD, MPH - Project Administrator, LGBT HealthLink at CenterLink

Wednesday, June 26, 2019, 12pm ET
Learning Objectives

- Provide an update on the disproportionate impact of HIV and high demand for tailored services among people of color (POC) communities.
- Discuss the roadblocks to HIV screening, treatment, and care in POC communities.
- Frame the driving force behind HIV infection among POC related to stigma and racism.
- Discuss who is responding to this epidemic and what can LGBTQ community centers do to address HIV in POC communities.
Regina R. Washington, DrPH
